---

On November 19, 2004, an order was issued in Docket No. 251644, whereby this Court denied plaintiff's motion for remand as unnecessary, and further stated that "[t]he trial court retains continuing authority without leave of this Court to revise and alter a judgment concerning child support under MCL 552.17 and MCR 7.208(A)(4)." Because we presume that the trial court is abiding by this order, the Court orders that the application for leave to appeal is DENIED.
